Share a favorite image with family or friends, add your own words of sentiment and you have a unique card which also becomes a 2 photo free standing frame. This totally hand made card/frame is perfect for all occasions. Can be shipped directly to you or sent to the person of your choice.

Nestled in white tissue paper in a little white box, your creation of words and image will have that personal touch it so deserves.

A picture of your pet, child's first art work, vacation spots, school campus, anniversary celebration, and birth announcement, is just the beginning. Let your imagination go to work and the possibilities are endless. Remember, "One Picture Is Worth A Thousand Words".
